SUBJECT: Bio-Terrorism Exercise in Greenwood Date: August 13, 2002

(Jackson) – The Mississippi Emergency Management Agency (MEMA) along with officials and first responders from Leflore, Yalobusha, Grenada, Carroll, Montgomery, Holmes, and Attala counties will be meeting Wednesday, August 14 at the Greenwood – Leflore Civic Center on Hwy 7 in Greenwood. The exercise will begin at 10:00 a.m. and continue until 2:00 p.m. A media briefing will also begin at 10:00 a.m.

The purpose of these exercises is to assess the current capabilities and support requirements of the local response to a terrorism incident. This assessment process is the first step in local and statewide preparedness. The exercise will serve to promote inter-agency communications, preparedness and an overall team effort. After completing all the exercises, Mississippi should be better able to prepare for and respond to any type of incident with enhanced capabilities.

Each county and its county seat will respond to a set of circumstances provided by MEMA and the Mississippi State Department of Health (MSDH) training coordinators. The exercise will be conducted using a series of five (5) "turns," with each turn lasting approximately 40-minutes. At the end of each turn there will be a brief discussion of issues and problems that have occurred during exercise play.
